- **Presentation** by Lindsey Garrett

Lindsey showed images he had taken which show his personal style. He walks with his dog every morning on the Berry Campus. He shoots deer, cows, birds, trees, and the occasional coyote, often in beautiful fog. Because he goes to the same places often, he can watch for the moment of light that he is wanting and improve the shot over time. He encourages us all to develop our personal style.

- **Images** were shown with the topic of “Scenic/Scapes”
