President's Note February 2021

February's meeting had a lot of members and new junior members show up. It is always good to see visitors and new members exploring our Club and their hobby. The monthly meeting agenda was followed by the monthly competition. A lot of images were submitted for the monthly competition monthly competition with the topic of Models.

Lorrie Smith did a bubble workshop that involved some of her lights and her generously giving ever one a bottle of the bubble solution. We then blow bubbles under the light and took pictures of the bubbles that produced brilliant colors and interesting waves and shapes on the bubbles. Thank you Lorrie for volunteering your time and resources. We all had a blast.

Here are the winners of this month on model photography. Congratulations to the winners:
